# Who we are

Based out of beautiful Vancouver Canada, we are a young family-owned brand. Our focus is to provide moms and dads with quality baby gear.

We have developed a wide selection of products from strollers, highchairs, and universal accessories to make parents lives easier. G&G is always innovating and designing new products.

# Universal Cupholder

Bring your favorite beverage anywhere you go in the Universal Cup holder. Made from durable material, this cup holder fits a wide range of drink containers, from the baby's bottle to your water bottle. It will fit any stroller but on the top of this, it will also fit your bicycle, your camping chair, your golf-cart, grandma's walker. Everything!!!

# Universal Cupholder

## Features

- Universal attachment
- Easy to use
- Fits most drink container size
- Easy to clean

# 3in1 Raincover

The 3in1 rain cover allows your child to stay dry and cozy while the weather is stormy. Its unique design will fit onto most brands of bassinet, infant car-seat or stroller POD seat. The quick-access zipper door allows you to easily remove the baby without having to remove the rain cover.

3in1

# 3in1 Raincover

## Features

- Universal fit
- Fits car-seat, bassinet and POD stroller seat
- Front zipper door access
- Side ventilation

# Stroller Media Console

The Media console will attach to most stroller handles and will provide you with everything you need to be accessible at your finger tips.

Two insulated cup-holders will keep your drinks to the desired temperature, a centered storage compartment featuring a carabineer for your keys and a magnetic flap to keep your essentials safe and secure, a front tactile pocket will allow you to use your phone on the go and a removable tablet holder allowing a unique movie theatre experience.

# Stroller Media Console

## Features

- Attach to most stroller
- Two insulated drink holders
- Deep storage pocket
- Metal carabineer
- Front tactile phone storage
- Removable tablet holder
