3-in-1 Bounce N Play Activity Center

Created to grow with baby, our multi-functional Baby Trend 3-in-1 Bounce N' Play Activity Center easily converts from an activity center, to an Activity Play Table, then to a Flat Table allowing your baby to discover and develop. With the sturdy 3-point leg support, parents can have peace of mind watching your kids play while learning. Baby's curiosity is captured with the 360 degree rotating seat, bouncing board and removable toys. The bouncing board that has three position height adjustment will support your baby's height and body motion as well as help them learn tip toeing.

3-in-1 Bounce N Play Activity Center

- Converts from Activity Center, to Activity Play Table, and to a Flat Table

- Includes 3 position bouncing board with three different positions
- Seat can move 360 degrees, giving baby motion and a wide range view

3-in-1 Bounce N Play Activity Center

- Great toy package designed especially for kids up to 15 months old; that can be removed to become standalone toys

- become standalone toys
- Musical keyboard plays different melodies
